

SHREE CEMENT LIMITED

Dear Stakeholders

Sub: Climate Disclosure Leadership Index (CDLI)

It's a matter of satisfaction for India that Indian companies are showing increasing confidence in disclosing their GHG emission, targets and commitments in regard to climate change actions. In this regard, CDP (Carbon Disclosure Project) along with Accenture India - the official writer of the 2013 CDP India 200 Climate Change Report - have released their report on 2013 at BSE.

We have great pleasure in sharing the outcome of the report that with Disclosures Scores of 90, **Shree Cement** has been **ranked number one in Material Sector Leaders & number 3 in India 2013 Leaders**. The first 20 companies ranking in CDLI is as under:

Company Name	Sector	Disclosure Scores
